

Conflict Management

Reconcile differences and handle conflict constructively.

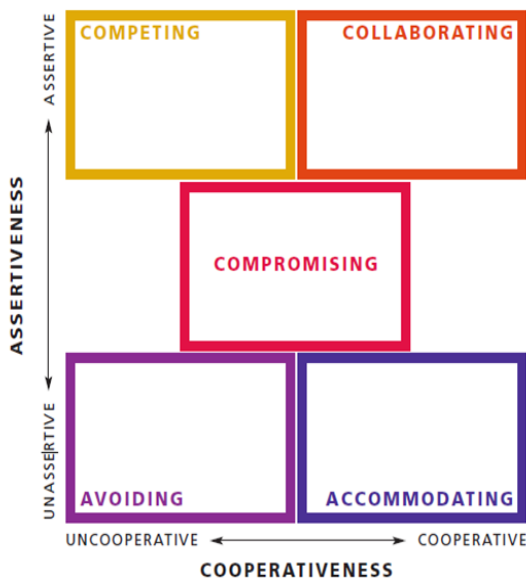

Program Details

Conflict is a part of daily life. Those who embrace conflict as an opportunity to build understanding and better relationships experience greater personal and professional success. But managing conflict is not easy – it requires self-awareness, solid communication skills and the motivation to resolve uncomfortable situations.

This one-day interactive communications training workshop will provide insight into your own conflict mode, your own emotional triggers and give you the tools to productively managing difficult, conflict-prone conversations. You'll walk away feeling greater confidence in managing tough situations with diplomacy, tact and credibility

Training Outcomes

- Gain confidence in holding difficult conversations calmly and assertively.
- Manage conflict situations proactively and effectively.
- Manage your emotional reaction in a conflict situation.
- Choose the appropriate conflict management approach for any scenario.
- Understand your own conflict style.
- Follow a proven method for diffusing tense situations.
- Plan for difficult conversations in a way that focuses on achieving the results you desire.

Training Length
Half Day
