

Eliminating Unconscious Bias

Foster a workplace free of discrimination.

Program Details

The impact of race and gender converges on workplace issues and may arise in relation to an employer's behaviour and actions towards employees of a specific race or gender identity. In this training, you will learn about the employer's obligations in regard to managing a diverse workforce. It will look at the actions and behaviours exhibited by all employees. We are all accountable for avoiding and preventing stereotyping and racial/gender discrimination. This is a very practical, highly interactive session.

Training Outcomes

- Increase awareness of workplace issues that may arise in relation to race, gender, or any form of unconscious bias.
- Outline what is considered discriminatory behaviour and what is not.
- Understand the employer's obligation to protect employees from discrimination.
- Bring to light common misconceptions and stereotypes we may not realize are present in the workplace and advise on appropriate behaviour and actions.
- How to move from diversity to inclusion in your organization.
- Transform your team's perceptions to create a work environment free of prejudice.
